

# Computer

1. Press the CTRL-ALT-DEL keys.
2. Enter your NetID in the **User name** text box.
3. Enter your password in the **Password** text box.
4. Make sure that UMW is selected in the **Log on to** drop down window, and click OK.

### To access the administrative account on the computer:

1. Enter Instructor in the **User name** text box.
2. Enter the password for the room in the **Password** text box.
3. Select the name of the computer (the this computer option) in the **Log on to** drop down window, and click OK.

- To access the generic student account follow the same directions as the administrative account, but enter student in the **User name** text box, and leave the **Password** text box blank.

**VOLUME TIP:** If no sound comes out of the speakers, make sure the volume is not muted on the computer:

- Double Click the speaker icon. This can be found in the bottom, right corner of the computer screen. The image is what will appear.
- Uncheck all mute boxes (4 total) that run across the bottom of the window.
