**Projector**

1. Point the remote labeled “Projector Remote” at the ceiling mounted projector and press the power button.
2. On the Projector Remote, push **Computer** the button.

**VCR**

1. Turn on the VCR located in the Lectern by pressing the **Power** button on the VCR.
2. (See Projector instructions.)
3. On the Projector Remote, push the **Video** button. You will then see “Video” in the upper left of screen.
4. Use the VCR Remote, or the buttons on the VCR to control playback of the VHS tape.

**NOTE:** The Computer does not need to be on to project from the VCR.
**VOLUME TIP:** If no sound comes out of the speakers, make sure the volume is not muted on the computer:

- Double Click the speaker icon. This can be found in the bottom, right corner of the computer screen. The image is what will appear.
- Uncheck all mute boxes (4 total) that run across the bottom of the window.
